

Barmaki, R. (2021). Erving Goffman's View of "Deviance": "Self" and "Society" as the Sources of Deviancy and Conformity. *Deviant Behavior*, 42(2), 147–161.  
<https://doi.org/10.1080/01639625.2019.1658845>

The article delves into Erving Goffman's six types of deviance, highlighting how personal identity is shaped by societal norms, cultural traditions, and individual choices.

Graham St John. (2022). *Victor Turner and Contemporary Cultural Performance* (G. St John, Ed.). Berghahn Books. <https://doi.org/10.1515/9780857450371>

The book explores Victor Turner's liminality and communitas theories' influence on contemporary cultural performances, highlighting their transformative nature and the interplay between societal norms, traditions, and individual experiences.

Isaac, J. (2018). The Intensification of Social Forms: Economy and Culture in the Thought of Clifford Geertz. *Critical Historical Studies*, 5(2), 237–266. <https://doi.org/10.1086/699685>

Clifford Geertz's hermeneutic methodology in studying the suq of Sefrou, Morocco, highlights the complex interplay of economic development, societal norms, and cultural traditions in shaping personal identity.

Yousafzai, M. (2023). *Malala's Story | Malala Fund*. Malala.org; Malala Fund.  
<https://malala.org/malalas-story>

Malala Yousafzai's story exemplifies how individual experiences, societal norms, and cultural traditions intertwine to shape personal identity.

Norman, Z. (2015). Reflection on Social Construction of Reality. *SSRN Electronic Journal*.  
<https://doi.org/10.2139/ssrn.2671077>

The article explores Social Constructionism, highlighting how societal norms, cultural traditions, and personal experiences shape personal identity through institutionalization, habitualization, and typification processes.

Singer, J. A. (2004). Narrative Identity and Meaning Making Across the Adult Lifespan: An Introduction. In *Journal of Personality* (Vol. 72, Issue 3). <https://doi.org/10.1111/j.0022-3506.2004.00268.x>

The book highlights the importance of narrative identity in adulthood, highlighting the psychological benefits of storytelling and its role in navigating emotional challenges and personal growth.

Zaleski, K. L., Johnson, D. K., & Klein, J. T. (2016). Grounding Judith Herman's Trauma Theory within Interpersonal Neuroscience and Evidence-Based Practice Modalities for Trauma Treatment. *Smith College Studies in Social Work*, 86(4), 377–393. <https://doi.org/10.1080/00377317.2016.1222110>

The article explores Judith Herman's trauma treatment model, emphasizing its neurobiological aspects and the impact of societal norms, cultural traditions, and personal experiences on personal identity.
